## Report

An awareness lecture on **Self Enumeration (SE) for Census 2027** was organized on **14 May 2026** at Government Degree College for Women Kathua to create awareness among students regarding the upcoming census process and the concept of self-enumeration.

The lecture was delivered by Assistant Professor Neeraj Chagathia, who explained the importance of Census 2027 and highlighted the procedure and benefits of Self Enumeration (SE). He informed the students that self-enumeration would enable citizens to submit their census details digitally in a convenient and efficient manner, thereby ensuring greater participation and accuracy in data collection.

Dr. Ajay Sanotra and Dr. Gurpreet Kour also participated in the programme and interacted with the students regarding the significance of Census 2027 and its crucial role in national planning and development. They encouraged students to spread awareness about self-enumeration among the wider community.

The programme was informative and interactive, helping students gain a better understanding of the census process and the importance of accurate participation through self-enumeration.
