Plantation Drive

CRPF, Kathua in collaboration with Haryali Eco Club, and the NCC Unit of GDCW Kathua, organised a plantation drive in the college premises with the objective of promoting environmental conservation and encouraging a greener and healthier future.

The programme witnessed enthusiastic participation from CRPF personnel, faculty members, NCC cadets, Eco Club volunteers, and students, who came together to plant a variety of saplings across the college campus.

The plantation drive was conducted under the able guidance of worthy Principal of College Dr. Jaipal Singh. He expressed gratitude to the CRPF officials, faculty members, and students for their wholehearted participation and stressed that such collaborative initiatives play a significant role in fostering environmental responsibility among the youth. The Principal encouraged students to continue participating in activities that promote sustainable development and environmental stewardship.
