REPORT

Government Degree College for Women (GDCW), Kathua, has issued RFID (Radio Frequency Identification) Cards to its students as part of the college's initiative to modernize and streamline library services.

The RFID cards were formally issued by the Dr Jaipal Singh Principal, GDCW Kathua, and the entire process was carried out in the presence of Staff secretary Dr Rachna and Librarian Saurabh Dutta

The RFID-enabled cards will facilitate efficient student identification and simplify library services, including book issue and return, while helping maintain accurate records of library transactions. The initiative will also reduce manual procedures and provide students with a more convenient and technology-enabled library experience.

The Principal appreciated the efforts of the Librarian and emphasized the importance of adopting modern technology to enhance student-centric services. The initiative reflects the college's commitment to digital transformation and providing efficient, technology-enabled academic facilities to its students.
